25th German Deaf Sports Festival 2020 is postponed

Dear Sirs and Madames,

Due to the existing general decrees regarding the current corona pandemic, we are forced to postpone our 25th German Deaf Sports Festival 2020. The event with approx. 2500 participants, which was also to take place as a German championship and as a 100th anniversary celebration, was planned from 21-23, May 2020 in Dresden. However, none of us can foresee whether an lifting of the ban on events with more than 1000 people is realistic until then. Therefore, after intensive discussions with the responsible parties of the city of Dresden and the state of Saxony, we decided that the event would be rescheduled next year. The expected new period is May 12th until 16th May 2021.

Since many people and the sports clubs have already booked or changed exemplary train tickets, plane tickets, rental cars, subordinates, etc. for free in May 2020, I ask you to be benevolent in dealing with cancellations. Conceivable means z. B. Possible option: free cancellation of tickets, exchange as travel vouchers administration until 2021, free postponement next years. This regulation applies to the personalities and officials of the clubs..

This letter is intended for our deaf people to communicate with the association when it comes to presenting the facts.

I would like to thank you as OK director of this event for your support and understanding.

For further information please do not hesitate to contact me! You can only reach me via email leitung@dresdemn-sportfest-2020.de, because I am deaf myself.

Yours sincerely

Andre Brändel
